

**DEDICATED TO THE  
TWENTY-THIRD ANNIVERSARY  
OF INDEPENDENCE OF  
UZBEKISTAN**

I love You, You are so dear to me,  
my Uzbekistan!

# CHAPTER 1 | THE ECONOMIC GROWTH OF UZBEKISTAN

In **twenty-three years of independent development**, Uzbekistan's economy has grown by 4.1 times, the real income per capita increased 8.2 times, and the gross domestic product growth rate has been no less than 8.1% within the last ten years.

# Navoi Free Industrial Economic Zone

## Advantages of Navoi FIEZ

- Preferential tax and customs regime.
- Simplified regime of entry and stay in Navoi FIEZ.
- Modern infrastructure and business services.
- Advantages of multimodal transport and logistics hub.
- Advantageous geographic location.
- Free access to the market of CIS countries.

# Agriculture

- Acreage of cotton was cut in half, and released lands were assigned for food crops.
- During the years of independence the volume of agricultural production has more than doubled: every year Uzbekistan produces about 16 million tons of fruits and vegetables.

# Car Factory in Asaka

To date, the domestic auto industry lineup consists of nine cars:

- Captiva
- Cobalt
- Damas
- Lacetti
- Malibu
- Matiz
- Nexia
- Orlando
- Spark

# Uzbekistan Airways National Air Company

Uzbekistan Airways National Air Company, founded by the Decree of our country's President Islam Karimov 22 years ago, has robustly occupied its well-deserved place in the world air market. Its distinguishing features have included safety, comfort and services of high quality.

## CHAPTER 2 | ACCOMPLISHMENT OF THE COUNTRY

Uzbekistan is successfully implementing large-scale programs for the construction of houses in rural areas

# CHAPTER 3 | NATIONAL PROGRAM FOR PROFESSIONAL DEVELOPMENT

National Program for Professional Development plays an important role in building great future of our country.

## CHAPTER 4 | DEVELOPMENT OF HEALTH, SCIENCE, CULTURE, ARTS AND SPORTS

Our President while stating the importance of improving young generation's aesthetic consciousness and artistic tastes, said: «Our prior goal, is to expand the inner strive of our children towards beauty and good works

# CHAPTER 5 | HEALTH OF MOTHER AND CHILD IN THE CORE OF ATTENTION

Special attention is paid in our Country to the consolidation of material and technical capacities of maternity complexes and elevation of quality of medical services being provided, which has served as an important factor in boosting the health of mothers and children.

## CHAPTER 6 | PEACE

We should never forget that we are to cherish our priceless boon – the peace and concord, the atmosphere of kindness and compassion, the civic and interethnic harmony in society – as the apple of the eye.
